

THE 16TH MEETING OF

ACTO

Asian Cellular Therapy Organization

**14 - 16 AUGUST 2025
SINGAPORE**

SPONSORSHIP PROSPECTUS

Welcome Address

Dear Friends and Colleagues,

We are delighted to announce the 16th Meeting of the Asian Cellular Therapy Organisation, taking place in **Singapore from August 14 to 16, 2025**. This important event will focus on cell and gene therapy with an Asian perspective, **addressing key regulatory issues, topics such as MSCs and Exosomes, and country-specific reports** that highlight the latest developments in this vital field across participating nations.

The Asian region is marked by its genetic and cultural richness, alongside significant population dynamics, creating a unique environment for nuanced discussions. Our organisation prides itself on inclusivity, fostering collaboration among diverse stakeholders to drive robust and sustainable advancements in cell and gene therapy. This in-person meeting will provide a valuable platform for collaboration **across research, clinical, manufacturing, and regulatory realms**. Attendees will have the opportunity to engage with leading experts and share insights that can shape the future of our industry.

We warmly invite you to consider our sponsorship packages, which are designed to enhance your visibility and engagement during the meeting. Your support will not only contribute to the success of this gathering but also to the growth of cell and gene therapy in our region.

We look forward to your support for what promises to be an inspiring and impactful meeting.

Warm regards,

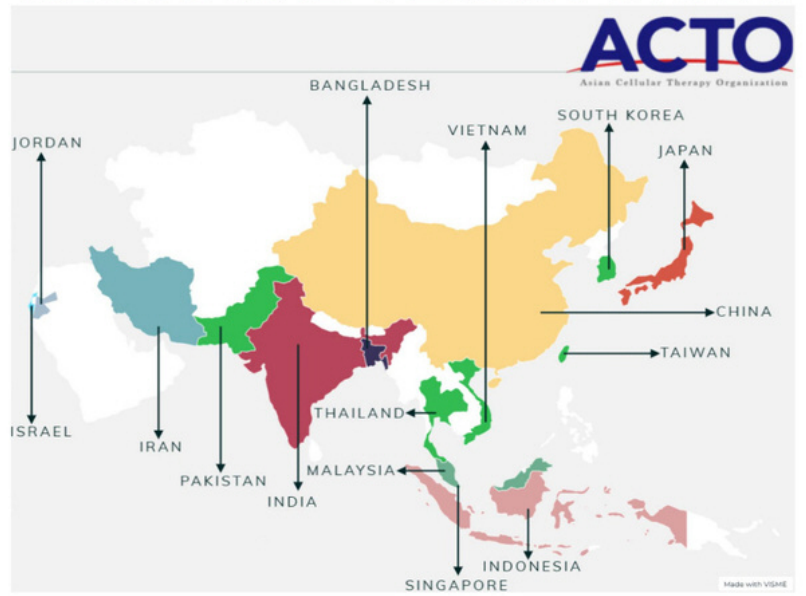

Akihiro Shimosaka (Japan)

Francesca Lim (Singapore)

Srinivasan Kellathur Nadathur (Singapore)
